Removal of Return Receipt for
Merchandise Service from the Mail
Classification Schedule

Docket No. MC2015-8

PUBLIC REPRESENTATIVE MOTION FOR EXTENSION OF COMMENT DEADLINE
(December 2, 2014)

On November 17, 2014, the Postal Service filed a request to remove Return Receipt for Merchandise from the Mail Classification Schedule.¹ The Commission then issued Order No. 2254, which established December 3, 2014 as the deadline for interested parties to submit comments.²

The Request appears to implicate several complex issues that require additional analysis by the Public Representative. Accordingly, the Public Representative requests that the deadline for filing comments be extended until December 9, 2014. No other party is expected to be prejudiced by this extension.

Respectfully submitted,

Anne C. O'Connor
Public Representative
